## Our Locations and Physicians

Urology Health Specialists, LLC specializes in the treatment of diseases and disorders related to the urinary tracts of men and women.

Experience and expertise has made Urology Health Specialists one of Philadelphia area's premier urology practices. Our board certified urologists provide the finest urologic care available and strive for the best outcome possible. Many of our urologists are fellowship trained and have advanced specialty training in robotics, infertility, and incontinence. Our practice is also comprised of pathologists, radiation oncologists, and nurse practitioners. Urology Health Specialists provides a full service approach to the treatment of urologic conditions. Each year Urology Health sees more than 14,000 new patients and provides continued care to over 54,000 men and women.

Urology Health Specialists has teamed up with Fox Chase Radiation Oncology Associates to provide state-of-the-art prostate cancer treatment. The Urology Health Specialists Prostate Cancer Center is dedicated to the diagnosis and treatment of prostate cancer in a warm, friendly environment with a focus on individualized care. Our urologists, pathologists and radiation oncologists, will work with you and your primary care physician to develop an individualized treatment plan specific to your needs.

Advanced care in a professional, compassionate environment is what you will find at each of our 16 locations in Philadelphia and surrounding counties.

Each day we look forward to providing effective solutions that help our patients "choose wisely and live healthy".
